Childhood is a magical time of discovery and learning.

We strive to provide kids with fun products that will grab their attention and provide a fun multi-sensory hands-on, minds-on experience.

Our products promote open-ended, child-led and non directed play, and old-fashioned play values to make every day a fun learning day

Our amazing toys, books, puzzles and crafts encourage discovery, inspire imagination and enhance essential learning skills.

Our vision is to magically transform each day into learning, growth and exploration.

The Value of Play

At Acornkids we design products for interactive creative play. Unique and innovative, they develop sensory skills, and stimulate young minds with fun. We carefully assess each product for its skills development value, and mark these against the products with these icons.

Super Slush

Turn bathwater to
coloured slush
then back to water
of a different colour

BB
BV=7

- » Red/Purple - Blue/Green - Yellow/Orange
- » R 95.00 each 380 g

Turns an ordinary bath into a playground of coloured slush for your kids. It is great fun and kids love it. When they have finished playing in the slush, you simply turn it back into a different colour water. It is safe, for your kids and your bath. It will not stain your bath, tiles, carpets or towels, and disposes through the normal bath drain. Not suitable for Septic Tanks. Each container of Super Slush makes one bath of slush.

Perfect for
playing in
a small tub

Bathpops

Exciting & Magical Bath Toy

Make your child's bath experience fun, imaginative and magical.

A mystery sponge character inside each capsule is waiting to be discovered!
