7. How to place an Order - Dealer
8. Where do I find my Order Number?
9. What happens after I place my Order?
10. How to track your parcel
11. How to Claim your New Dealer Bonus

You have to know your website because that is the **MAIN SOURCE** of your **BUSINESS!!!**

& The only way for you to know it, is to study your tips...

This is your business!! You're the only person that can choose if you are going to make R500 a month or R30,000.00.

The Most Important thing for you to do is to set up your URL!!! Please make sure that this is the FIRST thing that you do!!!

1. How to set up your URL

This is a big part of your Business

This is your Personal Website that you use for your Customers & you need it to Register Customers & Dealers that need to be linked to your account

Please Note: **DO NOT** put in any **Numbers** or **Spaces**

1. Go to www.acornkids.com
2. Log in to your website with the **Username** and **Password** that was provided to you by your leader.

3. Click on **My Account** 

4. Click on **My URL**

5. Follow the instructions & fill in.

6. Click on **Update** 

7. Your URL will look like this – www.acornkids.com/.....

www.acornkids.com/

8. That connects your webpage directly to you.

2. What is my Affiliate Code?

This is the last part of your URL that will show when you register a customer or dealer

Never use any Numbers when you create it

That will confuse the system by Picking up the Number first & you will end up under another dealer or under head office

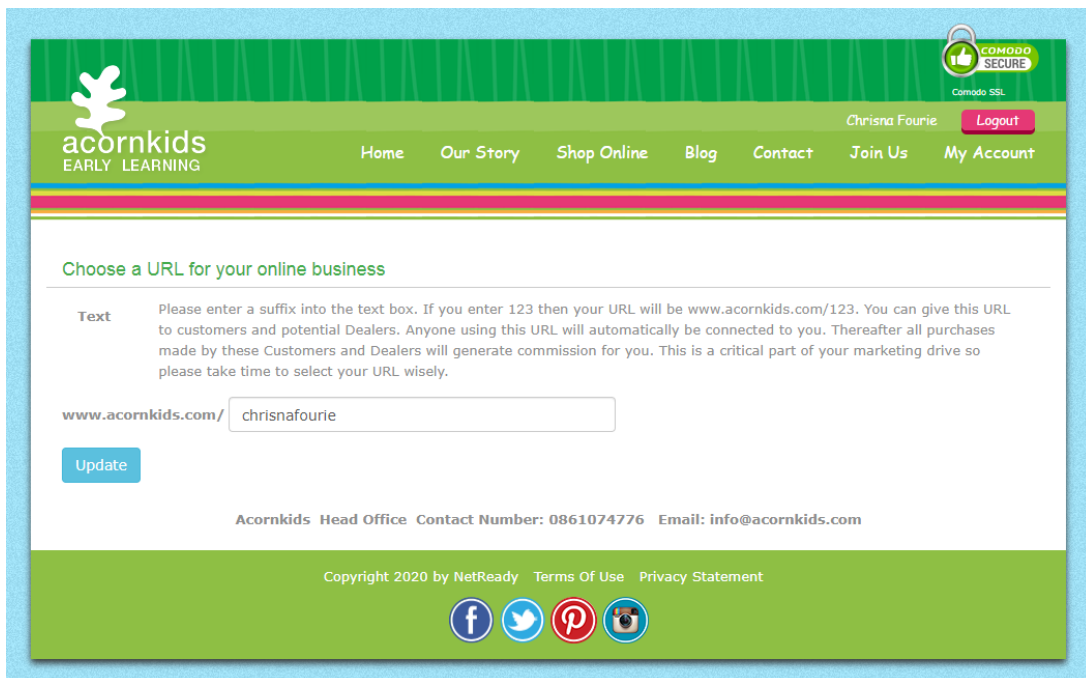

Your Affiliate code is the last part of your URL for example

Your **URL** – www.acornkids.com/chrisnafourie

Your **Affiliate Code** – chrisnafourie

Your Affiliate Code connects your Customers & New Dealers to your Downline

Please make sure that you use the Correct Affiliate code when you register a customer of dealer

The screenshot shows the Acornkids website interface. At the top, there is a green header with the Acornkids logo and navigation links: Home, Our Story, Shop Online, Blog, Contact, Join Us, and My Account. A user is logged in as Chrisna Fourie, with a Logout button. A Comodo SSL security badge is visible in the top right corner. The main content area is titled "Choose a URL for your online business" and contains a text input field with the value "chrisnafourie". Below the input field is an "Update" button. A footer section provides contact information: "Acornkids Head Office Contact Number: 0861074776 Email: info@acornkids.com". At the bottom, there is a copyright notice for 2020 by NetReady, along with links to Terms of Use and Privacy Statement, and social media icons for Facebook, Twitter, Pinterest, and Instagram.
