Becoming an Acornkids Dealer

Questions & Answers

Acornkids gives you the opportunity to build your own independent business, at home, selling a range of high-quality products that are exciting and innovative. It puts you in control, allowing you the flexibility to work when you want, time to spend with your family and friends, and the ability to earn extra income, full-time or part-time. Acornkids specialises in innovative and fun products for children, as well as body care for Moms and Dads. Here are some of the most frequently asked questions.

Q: How do I make money?

A: Acornkids Dealers earn income through two routes.

Sales

You simply purchase products from Acornkids at a 26% discount, and sell them to your customer at retail price. The difference is your profit. A further 4% discount is given for volume orders.

Sponsoring

Introduce new members to Acornkids, and these new members are linked to you as your team. You earn commission on the sales of qualified teams. As your team size increases, your rank and commission also increase. See the Acornkids Dealer Manual (AD-032) for full details of discounts and commissions.

Q: Does Acornkids have Special Offers?

A: Yes, Acornkids regularly provides Special Offers, which are popular products that have been further discounted, as well as competitions and incentives.

Q: How much can I earn?

A: You can operate your business part-time, and earn an income to supplement your family's income, or you can decide to go full-time, and put all your effort into the business. Depending upon how much time and effort you apply, you can earn from a few hundred Rand per month, to several thousand Rand per month.

Q: What does it cost to join Acornkids?

A: You need to purchase a Starter Pack which contains the Dealer Manual, which explains how everything works, and also contains a selection of popular products, product brochures, flyers, price lists, and business forms. Several options are available, see the separate Starter Pack Flyer.

Q: Is there an annual membership fee?

A: No, there is no annual membership fee.

Q: Must I buy product for stock?

A: No, you are not required to purchase any stock.

Q: Do I have to order monthly, or is there a minimum?

A: No, you order whenever you want, for any value. In order to retain the rank of Dealer, your average monthly purchases need to be 25 points (about R180). If your average falls below this for a number of months, then your rank is changed to Customer. This means that you can continue to purchase, but do not receive a discount.

Q: What if I no longer want to be a member?

A: You can resign at any time, merely by advising us in writing. There are no penalties or fees, no hidden costs.

Q: How do I place my orders with you?

A: The preferred way is online directly on the Acornkids website, but you can email, phone or fax your order.

Q: How much will I pay for delivery of my orders?

A: Three shipment methods are available. (1) Delivery to a store near you for collection at R65. This takes 7-9 working days. (2) Delivery to a store near you for collection at R89. This takes 3-5 days. (3) Delivery to your door at R125. This takes 2-4 working days. All times are from date of despatch.

Q: How do I pay Acornkids for products I order?

A: Several options are available. Payment is done when you place the order, and can be done by Credit Card, Bank Deposit, Electronic Transfer (Internet payment), or via EasyPay at most Supermarkets.

Q: What if I need more catalogues and flyers?

A: You can buy catalogues or other business tools as required. In addition, many flyers and documents are available for free download.

Q: Is there a guarantee that customers will be satisfied?

A: Acornkids supports its products, and guarantees satisfaction. If your customer is not satisfied with a product, we will replace it, credit it towards another product, or refund it. Please see the Dealer Manual for details.

Q: Am I able to secure an area to work in?

A: No. There are no territories, so you can sell wherever you like. However, sales are restricted to South Africa.

Q: What if I need help in any area of the business?

A: That's the beauty of network marketing - your Sponsor is always available to help you. If she does not know any answers, your Team Leader can help. AND - we are always available to help any dealer at Head Office, just call, fax, or email us.

Q: Can I advertise on the internet or in publications?

A: Advertising your business on the internet is allowed, and in fact encouraged. Any advertising or promotion must be within the guidelines laid down in the Acornkids Policies and Procedures, which is supplied as part of the Starter Pack. Not allowed is the sale of products on trading or auction sites (such as Bid or Buy), and the use of forums. Claims made about the business or products must be correct and accurate.

Q: Can I sell to shops?

A: Yes. You can sell through retail outlets if you wish.

Q: Can I sell Acornkids products online on my website?

A: You can only sell Acornkids products on your **own Acornkids** website, not on any 3rd party or personal website.
