

# Super Slush

## Bath Fun for Kids

Change your bath water into Coloured Slush

Then back to water of a different colour

Super Slush turns an ordinary bath into a playground of coloured slush for your kids. It is great fun and kids love it. When they have finished playing in the slush, you simply turn it back into a different colour water.

Super Slush is safe, both for your kids and your bath. It will not stain your bath, tiles, carpets or towels, and disposes through the normal bath drain. NOTE: It is not suitable for Septic Tanks. Each container of **Super Slush** makes one bath of slush.

-  **Super Slush** Blue: Starts of BLUE, changes to GREEN (Ref. ABGB1)
-  **Super Slush** Red: Starts of RED, changes to PURPLE (Ref. ABGR1)
-  **Super Slush** Yellow: Starts of YELLOW, changes to ORANGE (Ref. ABGY1)
