Benefits of Sand Art

Kids Bee Happy Sand Art helps children to grow and supports physical, social, cognitive and emotional development.
Sand painting is fun and exciting, and helps children to:

> develop confidence as it is simple with really good results
> develop creativity
> acquire hand-eye coordination
> develop fine motor coordination and hand muscle mobility
> learn sizes, shapes, patterns and designs
> focus on details
> develop decision-making skills, choosing colours and creative methods
> communicate emotions and feelings
